

Sponsor-a-Space Opportunity!

Apostolic Christian Timber Ridge

Old things are passed away, behold all things are become new. 2 Cor. 5:17

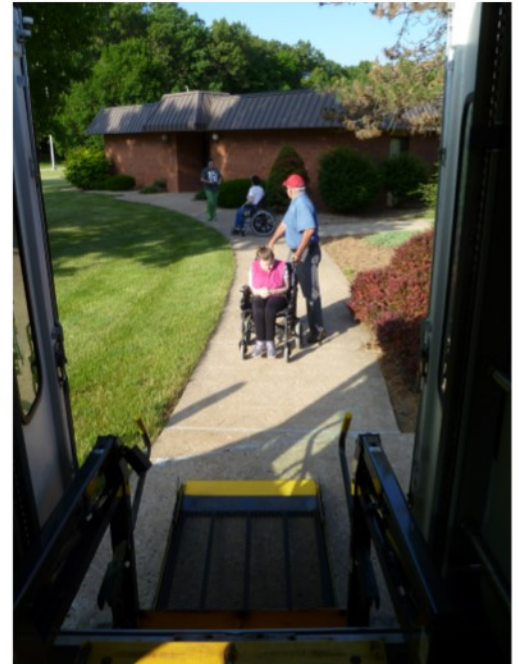

If any of you have visited Timber Ridge in the past several years, you may have noticed construction cones in the middle of the driveway to alert you to **stay away from the pot holes!**

We have been patching the holes and dodging the crumbling driveway for more than 10 years as it has been an expense we had to **kick down the road**, so to speak. However, the time has come when we can no longer wait and we **must make this old drive new again!**

As represented in the picture above, we searched the internet and found a **creative way to repair the holes**. Clearly, the only real option we have is to make the necessary and costly repairs! ☺

Along with the needed repairs to the drive, we will also be **adding parking spaces**. These spaces will allow our residents to be picked up closer to the building which will be especially nice when it rains and snows! Additionally, the spaces will provide places for families and staff to park.

As the cost of this project is so great (approximately \$420,000), we wanted to share the opportunity with our supporters to consider **sponsoring a space!** For **\$4,000.00** you can help the home by providing a smooth and safe driveway for our residents to walk and their wheelchairs to roll as they enjoy the outdoors safely!

If you would like to donate money toward a parking space or a part of a space. you can donate using Pay Pal at www.achh.org/Donate.asp or you can send a donation to:

Timber Ridge, 2125 Veterans Rd, Morton, IL 61550 (Please write "space" on memo line.)

Thank you for your consideration!
